

Ref. No: CMSF/00/2022/011

Date: April 10, 2022

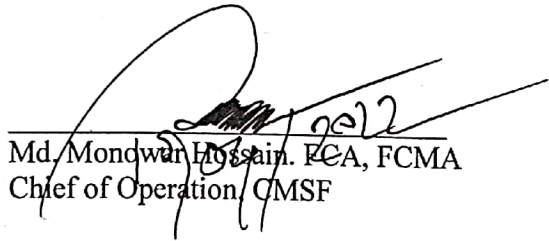

Office Order

The formation of Research Group (RG) is a visionary initiative taken by the Hon'ble Chairman, Capital Market Stabilization Fund to set up the vision, mission, goals, objectives and results-oriented strategic planning for CMSF. Rule-7(3) of the BSEC(CMSF),2021 provides that the fund shall mainly be utilized to stabilize the capital/securities market ensuring liquidity support to the market by way of buying and selling of listed securities, making investment in other securities, providing loan/support to market intermediary and market maker, lending and borrowing (SLB) of listed securities and settlement of investors' claim. In order to fulfill the objectives and purposes of CMSF the authority and officers are required to get the update and vital information relating to capital market. To provide the information, statistics, update and analyses of the capital market on regular basis. The CMSF authority also feels the needs of formation of a research group.

The CMSF management has assigned the following 4 (four) Executives for the smooth operation of the Research Group (RG)
